

FLEXIBLE MAGNETIC STRIP AND SHEET

Flexible magnetic material has opened up new areas of product design by introducing a highly versatile, low cost solution for permanent magnetic applications. This material is great for environments where shock absorption and irregular shapes are necessary. Flexible magnetic material is easily cut, punched, machined and slit to almost any specification. The magnetic strip is also available with a pressure sensitive adhesive backing.

MAGNETIC STRIP

Please consult our factory for quotations on punched, machined, slit or die-cut shapes.

NON -ADHESIVE BACKED

PRODUCT# SIZE

P-140	1/32 X 1
P-180	1/32 X 2
P-220	1/16 X 1/2
P-230	1/16 X 3/4
P-240	1/16 X 1

1/32" thick are 100' rolls
1/16" thick are 100' rolls

PRODUCT# SIZE

P-420	1/8 X 1/2
P-430	1/8 X 3/4
P-440	1/8 X 1

1/8" materials are packaged in 50' rolls

ADHESIVE BACKED

PRODUCT# SIZE

PA-140	1/32 X 1
PA-180	1/32 X 2
PA-220	1/16 X 1/2
PA-230	1/16 X 3/4
PA-240	1/16 X 1

1/32" thick are 100' rolls
1/16" thick are 100' rolls

MAGNETIC SHEETING

Note: Minimum order is one, 50' roll.
Stock thickness is .030. Additional sizes available only when ordering 2 or more rolls.
Rolls are 24" wide. Product: 3050-
Priced per 50' roll.

Flexible magnetic sheet has excellent ink adhesion and is rated at 52 lbs per square foot. This product is ideal for screen printing, hot stamping, and hand lettering. Can be used for business cards and business signs for vehicles. For application assistance contact our Engineering Department.
